Creative Play School

August
2009

Welcome

This year we have over 120 students enrolled at Creative Play School. Nine of our lead teachers are returning staff members to the program. Our classes and teachers are listed on the reverse side of this letter.

We want to assure you that your child will be lovingly cared for and that every effort will be made to provide for their safety, comfort and happiness. We believe that carefully raising children is a critical task with eternal results and rewards.

If there is any way I can be of service to you and your family, please call on me.

- **Marcia Weller, Director**

Immunizations

We need a copy of your child's immunization record to keep in our office. Returning students may already have that on file. Please check with your teacher at the parent meeting to confirm that we have that.

If you bring your records to school, we can copy that for you. Your doctor's office may also fax it to us at 260-627-3611.

Parents who choose not to immunize their children may present a letter from their doctor.

Parent Meetings

We will have a short large group session in the Worship Center with introductions and review of some of the things you will need to know for the beginning of school.

Then you will be dismissed to your child's classroom to meet with the teacher and hear about her plans for the class.

* There will be some important paper work for you to fill out on your child.

* We will distribute our 2009-10 school handbook.

If you cannot attend one of these meetings, please plan to take care of the paper work and tuition before leaving your child on the first day of school.

Tuition

We will be accepting payment of your full year or first month's tuition at the Parent Meetings in August. Mrs. Carolyn Moughler handles our tuition accounts.

Please remember that tuition is due by the 1st of each month. There is a discount for paying the full year's tuition by September 14th. Checks should be made out to "County Line Church of God."

Separation Anxiety

Children sometimes have difficulty when parents leave them with others. We want to help them process the things they are feeling or thinking and be able to express that in helpful ways.

Each Creative Play School teacher will be holding a brief "Open House." This is an opportunity for the children to visit their teacher and classroom with a parent and begin to feel comfortable in their new setting.

The best way to prepare your preschooler for their experience at Creative Play School is to assure them that you are happy for them to have this fun time to play and learn with new friends. Assure them that you are confident about their experience here and that will help them to be confident as well.

School Supplies

In addition to your classroom supply list provided by your teacher, please help us by providing the following supplies for general school use. If you have a child in this class, please send:

Winnie the Pooh:

Box of Band Aids

Bambi:

Large pkg of table napkins

Barney:

Roll of 1" blue painter's tape

Buddy Bear:

One box of facial tissue

Arthur:

Hand SANITIZER with pump

Dr. Seuss:

Anti-bacterial hand SOAP with pump

School Bags

We are providing Creative Play School canvas bags at no charge to all of our students.

They will not need to bring backpacks.
